

## **CSIR-Indian Institute of Petroleum**

### **CSIR- Harnessing Appropriate Rural Interventions and Technologies**

**Kind Attention** – AcSIR Faculties, PhD Students Registered with AcSIR and All those concerned

It is hereby informed that as per communiqué received from Hon'ble Director, **CSIR-800** henceforth will be known as **CSIR-HARIT**, i.e., **CSIR- Harnessing Appropriate Rural Interventions and Technologies**.

Now-on-wards, all PhD Students registered with AcSIR are advised to submit their **CSIR-HARIT** (erstwhile **CSIR-800**) report in PDF format on line ONLY after log in to the portal (CSIR-HARIT) of redesigned website.

While promoting ON LINE report submission, the aim is to realize paperless work culture leading to significant savings on paper and printer costs. The initiative will also help future students to access any report (available in the archive) so as to avoid duplication of the project work.

For further details please visit the URL of redesigned website.

(Dr Shailendra Tripathi)

Coordinator, **CSIR-HARIT**
