Dt. 17.05.2022

प्रिय महोदय/Dear Sirs,

विषय/Sb: Annual Maintenance Contract of IT Infrastructures

Director, CSIR-IIP, Dehradun is interested to award Comprehensive Annual Maintenance Contract of Information Technology based activities from well reputed and experienced firms a period of one year from the date of issue of award letter. Please send your Online bid/quotation through Central Public Procurement (CPP) Portal (<https://www.etenders.gov.in>) with complete terms and conditions within the stipulated time period as has been mentioned in the e-tender notice. Only online quotations will be entertained from the registered bidders of CPP Portal. While submitting quotation, please note the terms & conditions mentioned below:

SI No	Description
1	Comprehensive Annual Maintenance Contract (AMC) of IT Infrastructure As per the tender document
	EMD-Bid Securing Declaration Form
	Successful Bidder to furnish 3% Performance Security of the total order value within 21 days from the date of issue of Purchase Order Bids: Two bid system (Separate Technical and Commercial bid)

Sd/--

**Stores & Purchase Officer
For and On behalf of CSIR**

General TERMS & CONDITIONS for Annual Maintenance Contract

1	The Annual Maintenance Contract (AMC) will be valid for one year or for a period mentioned in Award letter from the date of work award order.
2	The schedule of requirement must be followed and required documents must be uploaded by bidder otherwise the bid will not be considered.
3	Your offer shall be valid for 120 days from the date of opening of the quotation. No revision in price will be allowed after opening the bid(s).
4	Price bid should be given as per format in PDF and BOQ. All statutory taxes like TDS, TDS on GST etc. will be deducted from the quoted price. No claim is be entertained as these taxes are extra. Therefore Prices are required to be quoted clearly mentioning of basic cost, taxes etc. in your quotation.
5	GST/other Govt. Levies will be paid at actual and the prevailing rates of GST and other tax etc, if any may be mentioned separately. No other charges than those mentioned clearly in the quotation will be paid
6	Manual/Offline bids shall not be accepted under any circumstances. No fax/E-mail quote would be accepted.
7	Conditional bid(s) shall not be considered and will be summarily rejected.
8	The AMC firm shall employ staff above 18 years of age after verifying their antecedents and loyalty. It is your responsibility to comply with the statutory requirements of safety precaution and payment on compensation.
9	CSIR-IIP, Dehradun is not responsible for any disability or casualty caused to workers/ service engineer while performing the services and no claim for any payment on compensation on such ground will be entertained.
10	If any fire/ damage or any type of mishappening occurs while maintenance/servicing of equipment(s) in CSIR-IIP premises, the successful bidder will indemnify all the expenses occurred on this account.
11	If the work is found unsatisfactory or if the firm dishonours the contract, the job will be entrusted to any other firm/party at the risk and expense of the contractor. Suitable action as deemed fit will be initiated against the successful bidder.
12	You will be responsible for adhering to all the tender conditions.
13	The bill should accompany the Original Service report and the Payment Term is Quarterly after services are rendered subject to satisfactory service certificate given by the concerned user. No other payment terms will be accepted.
14	The Bidder should not have been declared Bankrupt by any statutory body.
15	The bidders who have been suspended/ blacklisted/banned by Central Government Institution, State Government Institution, PSU etc shall be ineligible for participation in the bidding process.
	<p><u>DISPUTE SETTLEMENT:</u> The Purchaser and the Supplier shall make every effort to resolve amicably by direct informal negotiation any disagreement or dispute arising between them under or in connection with the Contract.</p> <p>If, after twenty-one (21) days, the parties have failed to resolve their dispute or difference by such mutual consultation, then either the Purchaser or the Supplier may give notice to the other party of its intention to commence arbitration, as hereinafter provided, as to the matter in dispute, and no arbitration in respect of this matter may be commenced unless such notice is given. Any dispute or difference in respect of which a notice of intention to commence arbitration has been given in accordance with this Clause shall be finally settled by arbitration. Arbitration may be commenced prior to or after delivery of the Goods under the Contract.</p> <p>The dispute settlement mechanism/arbitration proceedings shall be concluded as under:</p> <p>(a) In case of Dispute or difference arising between the Purchaser and a domestic supplier relating to any matter arising out of or connected with this agreement, such disputes or difference shall be settled in accordance with the Indian Arbitration & Conciliation Act, 1996, the rules there under and any statutory modifications or re- enactments thereof shall apply to the arbitration proceedings. The dispute shall be referred to Delhi International Arbitration Centre (DIAC), Delhi High Court, New Delhi. The award of the DIAC shall be final, conclusive and binding on all parties to this order.</p> <p>(b) In the case of a dispute between the Purchase and a Foreign supplier, the dispute shall be settled by</p>

arbitration in accordance with provision of sub-clause (a) above. But if this is not acceptable to the supplier then the dispute shall be settled in accordance with provisions of UNCITRAL (United Nations Commission on International Trade Law) Arbitration Rules.

Notwithstanding any reference to arbitration herein,

The parties shall continue to perform their respective obligations under the contract unless they otherwise agree.

All disputes will be subject to Dehradun, Uttarakhand . jurisdiction only.

Tender Document

Sealed and super scribed offers are invited by the Director, Indian Institute of Petroleum, Dehradun from well reputed and experienced firms for undertaking the Comprehensive Annual Maintenance Contract of Information Technology based activities as detailed in the tender document. The bids must be submitted in two separate envelopes i.e. Separate Technical and Commercial bids. Each envelope should be marked 'Technical Bid' or 'Financial Bid' as the case may be.

INTRODUCTION

About IIP:

Indian Institute of Petroleum is one of the premier institutes of Council of Scientific and Industrial Research, (CSIR) and is accredited with ISO: 9001-2008 certification. IIP provides Research and Development as well as technical support to the downstream sector of the hydrocarbon industry. It develops and transfers technologies to industry in the area of petroleum refining, natural gas, petrochemicals, chemicals and utilization of petroleum products. It provides technical services to the industry, imparts training to the personnel of the related industry, assists BIS in formulation of standards for petroleum products and conducts techno-economic feasibility studies & market demand surveys of petroleum products. It plays an important role in assisting refineries in absorption, adaptation and selection of technologies and in optimization of unit operations.

Institute IT infrastructure is spread over an area of Two km by 1 km (approx). It has a secured LAN of about 350+ nodes with the internet connectivity of 1Gbps. Institute has its website www.iip.res.in hosted on its own server which attracts significant traffic. The internet is extensively used by S&T staff for literature survey, downloading the scientific papers from the subscribed e-journals, email and other related activities. Video-conferencing facilities are available for linking it with CSIR laboratories all over India and CSIR Headquarter New Delhi. Also Video-conferencing service is available for all over the world.

TERMS AND CONDITIONS FOR THE BID :-

1. Qualification & Eligibility Criteria :-

Tenders for AMC invited from firms having:

- Experience of maintaining more than 300+ networked computers in a campus in the last 5 (five) years continuously, with experience of having worked in CSIR/PSU/Government/Corporate. A certificate from the client and a copy of SLA (Service Level Agreement) signed with the client must be enclosed with the Technical Bid.
- Company must have experience of maintaining CISCO core switches and edge switches for at least two years in the last five year.
- The bidder should be either OEM or authorized service provider (ASP) of reputed OEM brand such as Dell/HP/IBM/SUN/Acer/Lenovo/Sophos/Brocade etc. In case of ASP, bidder must enclose the copy of relevant document/authorization.
- All engineers having minimum 2 years experience of working. At least engineer should have valid Microsoft/Cisco/Redhat certification. Educational qualification of the personnel should be as per tender document.
- Well-equipped test and repair capability with advanced tools and facilities.
- No record of having been black listed by any Govt./Public sector organization.
- Vendor desirous of visiting lab to inspect IT infrastructure may do so is feasible. Clarifications in the regard can also be obtained from the institute website/e-mail query.
- Experience Certificate for executing the similar contract for more than 10 lakhs per year for 3 years attached

3. Purpose of Tender:

The Indian Institute of Petroleum wishes to outsource the AMC of its Information Technology infrastructure and services at its establishment at Dehradun. IIP has a fiber optical, wireless & UTP based local area network. A brief count of hardware and services in the scope of the tender is given in Annexure I, II and III of this document.

4. Scope of Work:

- Maintenance of existing IT infrastructure and services. This would also entail interaction with all vendors who have supplied IT equipment or have an AMC with IIP for equipment.
- Maintenance of all servers with operating system Windows with and without Active Domain Server, Red Hat Linux, etc
- Maintenance of the IIP LAN.
- Installing commonly used software on server and client systems
- Submit regular reports of the status of the IT infrastructure. Institute Website www.iip.res.in updating and maintenance and ensuring 24*7 accessibility of website inside and outside Institute.

Details of services to be provided under AMC are specified in Sections A to M.

SECTION A: HELP DESK SERVICE:

A1: List of Deliverables:

- Logging user calls and issuing a trouble ticket.
- Tracking each call to resolution.
- Escalating calls, if necessary.
- Generating call reports.
- Analyzing the call statistics.

A2: Service level Objectives:

The problems will be classified into 3 Severity Levels:

- **Severity Level – 1:** Calls that can have severe impact on business affecting large number of users i.e. any network server (e.g. DNS server, web server etc) or LAN equipment (e.g. Routers, switches etc).
 - Calls to be attended immediately and resolved within the day either through: repair; bringing up a back up server; replacement; reconfiguration of faulty LAN equipment/ interacting with vendor for the same in case equipment under warranty.
- **Severity Level – 2:** The end user system is unusable affecting individual users. e.g. – printing problems, problems using Office Automation tools, virus problems, client network connectivity problems, etc.
 - Calls to be attended within one day and resolved within 2 days if software / configuration problem or depending on AMC vendor if hardware problems.
- **Severity Level – 3:** New Software/ Hardware installations & upgrades change in configuration of the desktop etc.
 - Calls may be attended/ resolved within a week.

A3: Down time: will be calculated as below:

- For Severity Level-1 problem, each extra day taken to resolve the problem beyond the stipulated one day resolution time will be considered as one week down time.
- For Severity level-2 & Severity Level-3 problems: downtime will be considered normal number of days taken to resolve the problem beyond stipulated resolution time as stated above.

A 4: MIS Reports:

- Weekly - Pending calls report
- Monthly - Call type report, Downtime report, call trend report

SECTION B: TECHNICAL SUPPORT SERVICE

Scope: It will cover the desktops, printers, notebooks, scanners, individually purchased CD and DVD writers.

B1: List of deliverables:

- First level hardware support for the above equipment - Diagnosing the problem and getting the same resolved.

- First level application support at client end.
- Supporting the desktop OS and OA (Office Automation) software (Win 98/ Win XP / Win NT/ Win 2000 and above/Win Vista/Windows 7/ Linux (Red Hat) / MS Office/ Leap Office/ Star Office etc) - for authorized software only.
- Resolving network connectivity problems at the client end.
- Installing standard OS & OA software on the clients
- Performing any Install, Move, Add or Change at the client level.

B2:Service level objectives / MIS Reports:

As under Help Desk service.

SECTION C: VENDOR MANAGEMENT SERVICE

Scope: It will cover the IT Vendors of IIP.

C1: List of deliverables

- Maintaining database of the various vendors with details like contact person, tel. no., escalation matrix, response time and resolution time commitments etc.
- Logging calls with vendors. Coordinating with vendors to get problems resolved.
- Escalating problems, if required.
- Keeping track of the hardware and software maintenance contracts entered into by IIP with the various vendors.

C2: Service level objectives

- Required to add such equipment in AMC list whose AMC/warranty period will expire after next 3 months and before the next six months within the intervening 3 months period after the request by the user through Purchase section.
- Coordinating with vendors AMC keeping all the equipment under AMC, so that the calls logged on them are resolved within the time stipulated in their maintenance contract entered into with IIP - Measured on a weekly basis.

SECTION E: SERVER MANAGEMENT AND OS ADMINISTRATION SERVICE

Scope: It will cover the Windows 2000 and above, Linux (RedHat, Fedora, Cent OS), servers offering LDAP/DHCP/DNS service, web service, remote access service, antivirus gateway, any other network service etc.

E1: List of deliverables

- General system administration.
- Orderly system startup and shutdown.
- Monitoring CPU utilization, disk space usage etc.
- Resolving server problems like system `hang', hard disk crash, network connection failure etc.
- Creating new file systems and correcting file system inconsistencies.
- Creating / modifying / deleting users and groups.
- Installation of OS upgrades and patches.
- Re-installing OS if required.
- Performing periodic system performance tuning - changing the system configuration parameters and re-organizing the disk space etc.
- Performing periodic backup of all system files / volumes, installing system software.
- Escalating unresolved problems to the principal / hardware vendor for ensuring resolution.
- Monitoring the service provided by the server.
- Migration of service to backup server within 8 hours of server failure.
- Backup of servers

E2: Service level objectives

As under Help Desk service. AMC severity level 1.

SECTION F: NETWORK MANAGEMENT SERVICE

Scope: It will cover the LAN at IIP.

F1: List of deliverables

- Identifying LAN faults and getting them resolved.
- Vendor management for WAN links and monitoring the ISP connectivity.
- Advice on requirements of LAN hardware upgrades.
- Monitoring LAN traffic using monitoring software (if installed).
- First level support for leased line MUX and ISP vendor.
- First level support for WAN connectivity (data and voice).

F2: Service level objectives

As under Help Desk service severity level

F3: MIS Reports

- Monthly down-time report on the network, ISP connectivity.

SECTION G: PROXY SERVICES

Scope: It will involve managing a proxy server like Sophos/Cyberoam with content filtering and authentication, analysis of proxy traffic.

G1: List of deliverables

- User account management.
- Monitoring internet connectivity.
- Attending/resolving any internet browsing related complaints.
- Backup/system administration of proxy server.
- Migration of Proxy service on to backup server within 8 hours of proxy server failure.
- Monthly backup archival of proxy log
- Update user roles as per requirements
- Check updates of blacklisted sites

Limit access during working hours, blocking users and machines, limiting downloads, etc.

G2: Service level objectives:

As under Help Desk service. AMC severity level 1.

G3: MIS Reports

- Monthly report of user wise internet usage.
- Monthly statistics of internet usage.

SECTION H: Firewall / Security update Services

Scope: It will involve managing a Hardware firewall (Sophos/Cyberoam) & security updates.

H1: List of Deliverables

- Log of unauthorized access.
- Update / applying of security patches for all the network servers.

H2: Service Level Objectives

AMC Severity Level 1.

- Allowing only authorized access through the firewall.
- Change to F/ w configuration as per requirement.
- Analysis of firewall logs.
- Monitoring LAN traffic for unauthorized access.

- Taking preventive measures against hacking / DOS attacks.
- Applying Security Policy

SECTION I: Anti-virus updates/ Maintenance Services

Scope: It will involve updating the antivirus gateway server and antivirus corporate server, attending to virus problems at the desktop level, liaising with the vendor.

11: List of Deliverables

- Attending to and clearing virus attacks at desktop level.
- Keep the existing stand alone virus scanning s/w updated

12: Service Level Objectives

AMC Severity Level 1.

- Keeping all incoming/outgoing internet traffic virus free.
- Keeping the entire desktop PCs virus free.

SECTION J: HARDWARE MAINTENANCE OF LAN EQUIPMENT

Scope: This will involve hardware maintenance of LAN equipment (active devices like switches, hubs, routers etc) as per list in Annexure II.

List of Deliverables:

Comprehensive maintenance support for LAN equipment (active devices) as per the list attached and as per terms & conditions as under:

The Terms & Conditions for hardware maintenance of LAN equipment are as under:

1. The Comprehensive support should include standby equipment support at no `extra charges.
2. The severity level for LAN equipment failure will be treated as severity level –1 problem as detailed under help desk service and downtime will be taken as one week down time for each day.
3. Calls to be attended immediately and resolved within 24 hours.
4. An equivalent standby Router (switch/hub) should be replaced in place of failed equipment and the failed equipment should be repaired within 10 days of failure.
5. This equipment will come under the severity level 1.

SECTION K: HARDWARE MAINTENANCE OF PCs, PRINTERS, SCANNERS ETC.

Scope: It will involve hardware maintenance of PCs, printers, scanners, etc as per the list in Annexure- III.

Every 3 months, generate list of such equipments whose AMC/ Warranty will expire after the next 3 months and before the next 6 months and get this equipment added to the above list in the intervening 3 month period.

List of Deliverables:

Comprehensive maintenance support for PCs/ Printers as per the list as per Terms & Conditions as under:

- The Terms & Conditions for hardware maintenance of Computers / Printers are as under:
 1. The Comprehensive support should include spare parts support at no extra charge. Faulty parts arising out of replacement would be firm's property. The spare parts which are taken for repairs to the factory/work shop of the contractor shall be replaced back in original (serial number will be noted down) after repairs in perfect working condition. Necessary permission will be given for movement of spares in and out of IIP. In case the defective part is not repairable it should be replaced with same make or better.

2. The firm should keep at least following number of standbys at Computer Center, IIP, Dehradun:
 - a. Four number of PC's.
 - b. One number of inkjet printer & two LaserJet printers.
 - c. Additional spare parts for printers and PC to be stocked.
3. The support engineer should be well trained customer support engineer in all respects i.e. well mannered, technically sound and having vast knowledge in the field.
4. Following shall be the Scope of Breakdown calls:
 - a) In case of breakdown of computer systems, the calls shall be attended on priority basis by the engineer.
 - b) Wherever spare parts are required to be replaced, the standby spare parts are to be put so that the computer is not down.
 - c) In case of parts replaced are beyond repairs then the parts replaced shall be the property of IIP.
5. A computerized registering of the complaints through intranet server and for follow-up will be maintained (if software installed).
6. The customer support engineer will take the priority slips of complaints. The customer service reports (CSR) which are duly signed and commented by the complainant shall be filed and updated on the intranet server without any delay after attending all the given complaints.
7. In case of delayed repairing of machines, where the standby machines are not provided or the systems are not set right to put the same under satisfactory operation within 48 hours, a penalty may be charged per day basis @ 0.5% of the call rate of those systems/ peripherals for delayed period.
8. On expiry/termination of the contract, the contractor shall handover all equipment under the contract over to IIP in good working condition, before the release of that quarter's payment.
9. The service contract shall be terminated if the terms and conditions of the AMC are not fulfilled. Further, if the contractor fails to fulfill all the terms and conditions of the AMC, the contractor will not be allowed to bid again for AMC in future, at any circumstances.
10. Any failed hardware/PC/Printer should be repaired within 5 days of failure. If hardware/PC/printer is not repaired in 2 days, standby has to be provided. The original hardware/pc /printer should be repaired/replaced with equivalent hardware within 15 days of failure. If not, IIP will repair the hardware/pc/printer and cost of repairs will be deducted from party's bills.
11. If resident engineers do not report for duty, AMC vendor should provide alternative person of the same capacity on the day of absence. If vendor fails to provide alternate person, then penalty @ Rs 500/- for per engineer per day will be deducted from the AMC charges under the contract based on discretion of IT official of the institute.
12. The repairing/ troubleshooting of the faulty system under maintenance contract will be the responsibility of the AMC vendor. In case, the AMC vendor is not capable of repairing a repairable system, the repairing/ troubleshooting charges (if repairing has been done through any other source) will be borne by the AMC vendor or will be deducted from their quarterly bill.

Service Level Objectives:

As under help desk

MIS Reports:

- Weekly pending calls report
- Monthly downtime report
- Monthly report of machines going out of AMC/warranty
- Maintain register showing PC's/ printers/ parts taken out of IIP for repairs and return
- Electronic Record for all calls and Maintenance preferably web based software system

SECTION L: OCASSIONAL LAN WIRING

Scope: This will involve occasional LAN wiring at IIP, involving laying of CAT 6 or single mode fiber optic cable (6 core), Copper termination of cable ends, conduit, etc. All LAN point terminals at both ends shall be suitably labelled.

Description of LAN items
Copper termination
250 MHz CAT 6 Cable (305 m box)
250 MHz CAT 6 Cable per m
Information outlet
Surface mount box, single port
Surface mount box, double port
Laying UTP cable per m
Laying conduit per m
Conduit per m for .5 inch
Conduit per m for 1 inch
Conduit per m for 2 inch
Unmanaged 8 UTP port switch, 10/100 Mbps fast Ethernet
Unmanaged 16 UTP port switch, 10/100 Mbps fast Ethernet, 19" rack mount
Fiber Splashing and Terminating six core fiber cable

Please specify your rates and the make that you will deliver and install. As per the prevailing situation at that time, in case IIP has the material in store, the contractor may be asked to only lay the cable/ conduit and terminate the ends. Such requests may be cumulated and carried out once a month.

SECTION M: RATES CHARGED FOR OCASSIONAL CALLS

Scope: This section involves specifying rates charged for occasional requests for reinstallation of Operating Systems and requests to rectify computers at IIP, Dehradun that are not under AMC for some reason. Any equipment not in the property of Institute will not be considered for repair within the purview of AMC and ITD will not be responsible for it. Payments in such cases are to be received directly by contractor, nor will ITG have any role in certifying the bills.

Please specify your rates for

Reinstallation of Operating System (from owners CD's)
Call charges for a Computer

FACILITIES PROVIDED BY IIP :

- A PC with N/W connectivity
- Sitting place for 4persons

OTHER TERMS AND CONDITIONS:

- MIS Reports to be submitted as and when required.
- The company will deliver the service in sincerity and by maintaining confidentiality.
- The company will ensure continuous service availability and will deploy backup personnel as and when required.
- Either party has the option to terminate the contract with one month notice and without obligation to either side.
- All required spares and consumables required to maintain the IT infrastructure and data backup will be provided by IIP except for items that come under the hardware AMC.
- In case of LAN and PCs, all equipment declared obsolete shall be removed from the contract.
- Quote separately for: Sections A to I (AMC), Sections J and K, L and M (AMCs).

- Payments will be made quarterly at the end of each quarter, as per the tender document. The balance will be paid at the end of the contract period after deducting all penalties.
- The contract will be renewed (one time only) for a further period of one year if performance is good.
- Handover period to next contractor at the end of the contract period, in event of contract being awarded to a contractor different from the incumbent contractor is two months.
- Desktop PCs, Laptops and any other equipments requiring repairing/maintenance at a location other than user's location has to be carried by vendor only and no manpower will be provided by the Institute.
- The working hours will be 9 AM to 5:30 PM from Monday to Friday except for holidays under the 'Shops & Establishment Act'. The Institute may request contract or to ensure personnel availability on holidays occasionally, in the event of an impending conference, etc. For such a case, please quote overtime rates. One person should be available on standby holidays solely for the purpose of restoring internet connectivity in the event of internet not being available. For this purpose before each weekend or holiday the contractor should make available cell phone number of deputed personnel. The personnel shall stay in the vicinity of IIP for the period he/she is on call.
- All maintenance at server level which requires shutdown / stoppage of some server/ service should be carried out on holidays at no extra charge.
- A responsible person should be posted at IIP who can take decisions with reference to any emergency/new requirements from IIP and need not wait for response from parent company to avoid delays.
- The firm will preferably be Cisco partner. The Company will have at least 4 personnel with the qualifications as below working at IIP and present at the IIP campus for full working hours.
 - Three person – Diploma/ Diploma with minimum 2 years server/network administration, Irix scripting, configuration of network servers (DNS/ Mail/ Web/ Firewall/ DHCP/ Proxy/ Spam/ Anti-Virus/ ADS/ database).
 - One person – Graduate with typing certification and word processing skills, to man Help Desk, contact vendors, prepare reports. /or Diploma with minimum 2 years working experience in hardware/software maintenance of PCs, printers, scanners

The deputed personnel shall

- a) At all times abide by rules for holidays, working hours as specified above.
- b) At all times abide by general rules of conduct and discipline as required by IIP and changes made to it from time to time.
- c) At all times strictly follow the confidentiality conditions laid out by IIP and changes made to it from time to time.
- d) Shall be eligible for canteen, library and bus facility if available on payment.
- e) Will be provided with individual security passes to enable access into the office and facilities on the understanding that these will be returned on termination of contract.
- f) Displaying some identity cards with photo from the company.
- g) Attendance Register will be maintained for IN and EXIT entries.

• **REVIEW & FEEDBACK**

Monthly review meetings will be held to discuss status of all the service A to J and options listed above. Any pending issues/ problems and suggesting for improvement / additional facilities/ services will be discussed in the weekly meetings.

• **PENALTY CLAUSE**

As per the downtime calculated, 5% of the monthly payable amount will be deducted for each week of down time for FM services. Penalty for hardware maintenance of computers /printers is mentioned separately at option-1, LAN equipment at Option-2.

• **TENURE**

Services will be for ONE Year with a possible extension based on satisfactory performance.

Please ensure the following before submission:

This is a two-bid system: You must submit separate Technical and Commercial bids. The two quotations must be submitted in separate sealed envelopes at the time of submission, enclosed in a single sealed envelope superscribed with the heading “**AMC CONTRACT FOR IIP**” along with the tender number.

What follows is for the technical quotation:

- Tentative list of bio-data of persons to be placed at CSIR-IIP, along with copy of all certification
- The case study of similar AMC client (200+ network nodes, 400+ mailboxes, etc) along with a certificate from the client and a copy of SLA (Service Level Agreement) signed with the client.
- The firm should submit records of previous financial years turnover and year of registration.
- The quote should mandatorily include all sections.
- Attached questionnaire form duly filled [Annexure – VI]

What follows is for the commercial quotation:

Please quote as per Annexure – V and submit separately in a sealed envelope duly superscribed as “**Commercial Bid**”.

Quote separately for:

- A. Sections A to J Comprehensive AMC of LAN, Hardware and services: Charges per month for the entire service and the infrastructure to be quoted with the break-up of the charges to be given against each item in the list provided..*
- B. Sections K and M AMC of PCs and Peripherals: Charges per month for the entire PCs and Printers to be quoted with the break-up of the charges to be given against each item in the list provided.*
- C. Section L Occasional LAN Wiring - Charges for each item to be quoted.*
- D. Section M Occasional Calls - Charges for each item to be quoted.*

CISCO Catalyst 2960-CX 8 PORT POE 2X10G SFP+ (L2)	8
CISCO Wireless Controller 2500 series	1
CISCO Access Point (AP) AIR-AP1832I-D-K9	75
CISCO Catalyst 3850 24 PORT Stackable (L3 CORE sw)	1
CISCO Catalyst 3850 XS 12 PORT 10G SFP+ Stackable (L3 CORE SW)	2
Brocade 300 SAN Switch	1

Annexure - III

List of Hardware: PC Printers and peripherals

SNo.	Item	Quantity
1	PCs	456
2	Printers	331
3	Scanners	12
4	Laptops	48
5	LED/LCD Monitor Plasma	3
6	Workstation	7
	Total	680

Note:

1. The above items are of different configurations as detailed in the list attached
2. In addition to above some PCs, Printers, Laptops etc. are under warranty.
3. The list given is tentative, the final list will be prepared after awarding the contract and made based on physical verification by the vendor with the taken signature of respective employees.

List of Video Conferencing Equipments and peripherals

SNo.	Item	Quantity
1	Polycom RealPresence Group 500 – Complete Bundle including RealPresence Group 500 code, Cable bundle, Remote control, EagleEye IV camera and RealPresence, Group Microphone Array	1
2	Polycom VSX 7000 – Complete Bundle including Digital Tabletop Microphone Array, Integrated Speaker and Subwoofer, Remote Control, Cable bundle, Integrated main Camera	1
3	HDMI Switch 5*1 make Linetek	1
4	Samsung LED Monitor 65 inch	1
5	Samsung LED Monitor 55 inch	1

Annexure - IV

QUESTIONNAIRE

SNo.	Particulars	Details
1.	Name of the Manufacturer/ Tenderer	
2.	Full postal address with Telephone, Telefax, e-mail	
3.	Please specify whether Public Limited, Company, Private Organisation or Partnership Firm	
4.	Nature of the Business	
5.	Date of Establishment	
6.	Present Turnover (Proof of IT Returns)	
7.	Permanent Income Tax Ref No.	
8.	CST/ ST No./ TIN No.	
9.	Address & Telephone Nos. of your branch office in Dehradun (please specify whether Distributing/ servicing/ marketing the products.	
10.	Reference of reputed customers	
11.	Details of the highest order executed and value thereof	
12.	Certificate of Incorporation attached (Yes/ No)	
13.	Authorization from Manufacturer/ Supplier attached	
14.	E.M.D. (Rs.) attached with Technical Bid	
15.	Technical Specifications/ Literature/ Brochure attached	
16.	Furnished all information required by the tender document	
17.	Experience Certificate for executing similar contract for more than 10 lakhs per year for 5 years attached	
18.	Experience certificate for maintaining 300+nodes Networked Computers in one Campus Network attached.	

**Name & Signature of the Tenderer)
With Stamp**

Price-Bid Form – IIP, Dehradun

(Comprehensive Annual Maintenance Contract for period of)

Annexure	Type of Work	Monthly Unit Rate	
		<i>In Figures</i>	<i>In Words</i>
I (Section – A to J)	AMC of LAN, Hardware and services as per Annexure I and Annexure II.		
II (Section –K)	AMC of PCs, Printers, Scanners LAPTOPs, External CD Writers and Plotters as per the Annexure III and further break-up given in the list attached. (AMC charges against each item shown in the list are to be mentioned in the list and total amount to be given above.)		
III (Section –L)	Occasional LAN Wiring	<i>In Figure</i>	<i>In Words</i>
	Copper termination		
	250 MHz CAT 6 Cable (305 m box)		
	250 MHz CAT 6 Cable per m		
	Information outlet		
	Surface mount box, single port		
	Surface mount box, double port		
	Laying UTP cable per m		
	Laying conduit per m		
	Conduit per m for .5 inch		
	Conduit per m for 1 inch		
	Conduit per m for 2 inch		
	Unmanaged 8 UTP port switch, 10/100 Mbps fast Ethernet		
	Unmanaged 16 UTP port switch, 10/100 Mbps fast Eth, 19” rack mount		
	Fiber Splashing and Terminating six core fiber cable		
IV (Section - M)	Occasional		
	Reinstallation of Operating System (from owners CD's)		
	Call Charges for a Computer		

Note: - Please provide unit wise AMC charges of PC, Laptop, Printer & peripherals, Servers and SAN storage.

5. I/We do hereby declare that our firm has not been blacklisted/debarred by any Govt. department/Public Sector Undertaking.
6. I/We certify that all information furnished by our firm is true & correct and in the event that the information is found to be incorrect/untrue or found violated, then your department/organisation shall without giving any notice or reason therefore or summarily reject the bid or terminate the contract, without prejudice to any other rights or remedy including the forfeiture of the full said earnest money deposited, absolutely

Yours faithfully,

(Signature of the Bidder with official seal)

Bid-Securing Declaration Form

(TO BE FILLED & SUBMITTED IN LIEU OF THE BID SECURITY/EMD ONLY IF GIVEN AS OPTION IN NIT)

Date: _____

Bid No. _____

To (insert complete name and address of the purchaser)

I/We. The undersigned, declare that:

I/We understand that, according to your conditions, bids must be supported by a Bid Securing Declaration.

I/We accept that I/We may be disqualified from bidding for any contract with you for a period of one year from the date of notification if I am /We are in a breach of any obligation under the bid conditions, because I/We

- (a) have withdrawn/modified/amended, impairs or derogates from the tender, my/our Bid during the period of bid validity specified in the form of Bid; or
- (b) having been notified of the acceptance of our Bid by the purchaser during the period of bid validity (i) fail or refuse to execute the contract, if required, or (ii) fail or refuse to furnish the Performance Security, in accordance with the Instructions to Bidders.

I/We understand this Bid Securing Declaration shall cease to be valid if I am/we are not the successful Bidder, upon the earlier of (i) the receipt of your notification of the name of the successful Bidder; or (ii) thirty days after the expiration of the validity of my/our Bid.

Signed: (insert signature of person whose name and capacity are shown) in the capacity of (insert legal capacity of person signing the Bid Securing Declaration).

Name: (insert complete name of person signing the Bid Securing Declaration)

Duly authorized to sign the bid for an on behalf of : (insert complete name of Bidder)

Dated on _____ day of _____ (insert date of signing)

Corporate Seal (where appropriate)

(Note: In case of a Joint Venture, the Bid Securing Declaration must be in the name of all partners to the Joint Venture that submits the bid)

DEVIATION STATEMENT FORM

(Please indicate compliance or deviation from Bid Document Technical Specifications, ITB Terms, GCC & SCC Terms and Eligibility Requirements)

S.N.	Tender Specifications / Requirements / Terms	Specifications of Quote Model / Part /Accessory	Compliance Whether Yes of No	Deviation, if any to be indicated in unambiguous terms (The compliance / Deviation should be supported by relevant Technical Literature)	Technical justification for the deviation, if any. If specification is superior /inferior than asked for in the enquiry, it should be clearly brought out in the justification

We certify that while filling the above Deviation Statement Form, we have fully read and understood the provisions of Clause 1.28 Examination of Terms & Conditions, Technical Evaluation of ITB (Chapter 1) and we undertake to fully abide by that.

Place:

Date:

Signature of the authorized personnel with seal

NOTE:

- 1) Where there is no deviation, the statement should be returned duly signed with an endorsement indicating "No Deviations". It will be deemed understood that the bidder conforms to tendered requirement and agrees to all tender terms and conditions. However technical conformity is subject to verification from the submitted technical literature.
- 2) If the bidder offers more than one model, then the Compliance Statement must be enclosed for each and every model separately.
- 3) The technical and commercial deviations should be indicated separately
- 4) If the bidder fails to enclose the compliance statement, his bid is likely to be rejected
- 5) Compliance mentioned in this form must conform with the details provided in the technical brochure.
- 6) Where there is no deviation, the statement should be returned duly signed with an endorsement indicating "No Deviations". It will be deemed understood that the bidder conforms to tendered requirement and agrees to all tender terms and conditions. However technical conformity is subject to verification from the submitted technical literature.
- 7) If the bidder offers more than one model, then the Compliance Statement must be enclosed for each and every model separately.
- 8) The technical and commercial deviations should be indicated separately
- 9) If the bidder fails to enclose the compliance statement, his bid is likely to be rejected
- 10) Compliance mentioned in this form must conform with the details provided in the technical brochure.
